

I'm not a bot

Hannah Howell, a New England native with Scottish and English heritage in England. She was married over 38 years and have two sons and several grandchildren. Her hobbies include cat care, gardening, crocheting, and piano playing. After publishing her first book in 1988, she focused on writing about the Murray clan. Her books often feature strong female leads, with titles like "Amber Flame", "Promised Passion", and "Stolen Ecstasy". Characters like Storm Eldon, Islaen MacRohi, and Plessance Dunstan navigate love, loyalty, and danger in historical Scotland. Other novels include "Wild Conquest", "Silver Flame", and "Conqueror's Kiss", showcasing the author's range in crafting romance and adventure stories set in the Scottish Highlands and other historical contexts. A penniless and ostracized young woman from Pennsylvania sees an opportunity to improve her life when a wealthy backwoodsman arrives in town looking for a wife. However, she has other plans and instead uses this chance to rescue herself. In another story set in the rugged north country of England, Saxon Honey Todd seeks vengeance against the man who murdered her twin brother by galloping across the countryside in pursuit. The Earl Botolf is believed to be responsible for this tragedy. Ainslee of Kengarvey, a skilled horsewoman and warrior, finds herself being hotly pursued by an Anglo-Norman knight as she rides across the English countryside. Despite her bravery, she cannot escape the relentless pursuit of this knight. Hannah Howell's historical romance, Edina and the Baby, brings together an independent woman, a proud lord, and a lost baby in a tale of abduction and desire. The story takes place in a time when women had to navigate their lives according to societal norms, making every decision a challenge. Eada of Pevensey discovers that she has inherited rare psychic powers from a mysterious bequest. She soon finds herself with the gift of second sight, allowing her to see things that were previously invisible to her. Jessa flees an arranged marriage and runs into a raging Highland snowstorm, finding shelter in a dreary castle where she helps a handsome but unhappy laird turn the Yuletide bright with the magic of unexpected love. This historical romance takes place against the backdrop of Scotland's harsh winters. Ella Carson is forced to leave her aunt's home in Wyoming by greedy relatives who hire a man named Harrigan Mahoney to take her back. Ella, being the feisty woman she is, would shoot him dead if she had the chance. Isabel, an ethereal beauty, has a sensual dream of a tall, dark-haired warrior stepping off the battlefield and into her life. This paranormal romance brings this dream delightfully real for Isabel. Nigel Murray sees through the masquerade of a young woman trying to pass herself off as a page from the first moment he meets her. She is eventually unmasked in battle with the English, at which point Nigel saves the raven-haired beauty by risking his own life. For centuries, Castle Cnocanduin has stood on the edge of the Scottish Highlands, serving as a sanctuary for many young women. Within its keep lies a beautiful well etched with an inscription: "Any woman of pure heart who drinks from this well will be granted her deepest desire." Tatha finds herself at this castle seeking solace and possibly love. When it comes to enchanting their readers with sweeping tales of lasting love, there is no author more cherished than Hannah Howell. Two spirited women embark on an incredible journey in these special holiday novellas, meeting the two men who will make their hearts skip a beat. Finally, Highland Vow tells the passionate tale of a woman who finds herself caught between her heart and her duty. This historical romance captures the lives of the Murray sisters, each with their own story to tell and their own journey towards love. Ten years ago, a novel called "Highland Knight" was published by Hannah Howell. It's part of the "The Daughters" series and the second book in the "Murray Clan" saga. The story revolves around Cameron MacAlpin, who thinks he's struck gold when he learns that Avery Murray, a beautiful woman, has been thrown at him as a debt payment. In another tale from the same author, "Highland Bride," a young woman named Hannah is married to a warrior who seems unbreakable. However, she's determined to show him his softer side and even steals his heart in the process. The story takes place in 15th-century Scotland and is full of passion. The author also wrote about Rose Keith, a Scottish beauty known for her magical garden that produces dishes that can inspire intense desire. Sir Adair Dundas asks for some of her famous sweet tarts, leading to an interesting encounter. Hannah Howell returns with "Highland Angel," which starts a new trilogy and focuses on the Murray family's struggles in 15th-century Scotland. The story is about vengeance and passion, but it also explores the supernatural side of things. Another book from the same author is "The Yearning," which tells the tale of Clan MacCordy and their ancient curse that forces them to walk forever in darkness, thirsting for blood. One of the clan members must get married despite his feelings of terror and fascination with his betrothed. Sir Diarmot MacEnroy gets married in "Highland Groom" as he wants a proper lady to be his wife and care for his illegitimate children. However, their wedding is interrupted by an unexpected event. In another story from the same series, "Highland Warrior," a woman named Fiona MacEnroy flees her suitor but ends up being captured by a group of well-armed men. Instead of fighting for her life, she finds herself falling in love with one of them. National bestselling authors Hannah Howell and Lynsay Sands collaborate on "Nightriders" as part of the "Eternal Highlander" series. The story revolves around two men struggling with their hunger and finding salvation through the women they meet. Finally, "Highland Champion" by Hannah Howell tells the story of a proud woman named Elyse who refuses to believe in love until she meets Liam Cameron, a fiery Scotsman determined to change her mind. New releases from renowned authors weave an immersive tale of love, legend, and mystery within Scotland's rugged highlands. Lady Jolene Gerard faces her time crunch, while "Kiss of the Vampire" transports readers to a realm where vampires' whispers echo through mist-shrouded landscapes. Hannah Howell continues the Murray clan saga in "Highland Lover," as Gregor MacLeod confronts his reckless desires and family expectations. The entwined fates of identical twin brothers become the focal point in "My Immortal Highlander." As they navigate between their inherited curse and two women's love, a captivating story unfolds. Meanwhile, "Highland Barbarian" introduces Sir Artan Murray to a fiery and unyielding woman, highlighting the complexities of arranged marriages. The Murray clan's saga deepens with "Highland Savage," as a man wounded by betrayal seeks redemption in a world where hearts can heal but scars remain. In "Highland Wedding," an arranged union blossoms into a true joining of souls, symbolized by Sir Iain MacLagan's unremovable scar. Annora MacKay finds herself enthralled by an enigmatic stranger in "Highland Wolf." The narrative shifts to romance with "Highland Fire," where an unjustly accused laird and an innocent beauty discover a passion that transcends the rugged Scottish landscape. "Dark Hero" delves into the paranormal, following Berawald MacNachton as he navigates a world beyond his clan's expectations. Finally, "Highland Captive" reimagines the epic romance between a strong-willed captor and a striking young woman within Scotland's enchanting highlands. The series concludes with "Highland Sinner," offering a glimpse into the lives of those who walk on the edge of society, where love and redemption await in the most unexpected places. Hannah Howell's latest novel delves into the world of medieval Scotland and the enigmatic Murray clan. This time, it's a captivating tale of love and danger as a mysterious woman and a seductive knight join forces to prevent a murder. The novel is set amidst the stunning backdrop of 16th-century Scotland. In another part of the book series, Chloe Wherlocke possesses a unique gift - the ability to foresee the future. She sees a vision that foretells a sinister plot against Lord Julian Kenwood and his newborn son. With her intuition guiding her, she must act quickly to save them from impending doom. Meanwhile, Gybbon MacNachton searches for the Lost Ones - demons with powerful bloodlines who are being hunted by those seeking to destroy them. His quest leads him to Alice Boyd, a young woman living in solitude in the forest. As he gets closer to her, he's drawn into a world of magic and mystery. The story continues with a new novel that explores the intrigue and secrecy surrounding the Wherlocke family. They're rumored to possess supernatural gifts, but their powers are shrouded in mystery. When Lady Alethea Vaughn Channing is haunted by visions of a man, she must navigate the complexities of her own destiny. In another part of the series, Adeline Dunbar stumbles upon an abandoned baby on her doorstep and sets out to find its clan. However, her quest for answers leads her into a world of danger, where she's attacked by demon hunters and rescued by a vampire named Lachann MacNachton. The Murray saga continues with Isabeth Murray Armstrong accused of murder. With little evidence, it seems like her fate is sealed, but one person can save her from the gallows - the only one who believes in her innocence. A new story emerges when Lorelei Sundun finds Sir Argus Wherlocke in her garden. Their initial meeting sparks a passion that threatens to consume them both, despite the danger that looms over them. As the series unfolds, four heroes are introduced - each as captivating as the Highlands themselves. There's a dashing laird with a taste for adventure, a proud lord on a mission of rescue and desire, a sensual warrior at the center of one woman's life, and a mysterious figure shrouded in secrecy. In another installment, Raibeart MacNachton encounters an ethereal beauty named Una Dunn while searching for his clan's Lost Ones. He must resist his urge to ravish her, but their connection is undeniable. The novel concludes with the dramatic saga of the Murray family as passions surge amidst fear and danger. Arianna Murray Lucette believes she's met her match in a man who's brave, loyal, and true - but fate has other plans for her. Hannah Howell's novels often feature strong-willed women and their tumultuous relationships with men from Scotland's past. These stories are typically part of series like The Wherlocke Family Saga or The Seven Brides for Seven Scotsmen series. In her books, the female protagonists frequently find themselves in precarious situations, requiring the aid of a dashing male figure to rescue them. Examples include Lady Triona McKee in Highland Master and Lady Annys MacQueen in Highland Guard. These women are often from wealthy families, with Lady Olympia Wherlocke having the ability to foresee the future. The male characters, usually members of Scottish clans like the Murrays or the MacEnroys, embody a sense of danger and desire, igniting an unstoppable attraction between them and their female counterparts. This is evident in titles such as Highland Chieftain and The Scotsman Who Saved Me. In addition to her historical romance novels, Howell has also explored the fantasy genre with works like Time Ripper, where she delves into a world of paranormal elements and time travel. Hannah Howell, a celebrated author, has captably penned several best-selling historical romance novels. Her Murray Family series holds a special place in readers' hearts, whilst the Wherlocke series and standalone novels have also garnered significant attention. Prior to her writing career, she devoted time to raising two children as a full-time homemaker.
